## Mary & Joseph travel through our town sharing Jesus' light, hope and love

We will not be holding our annual Town Carol Service this year, but we haven't forgotten about the local businesses and organisations in our town for whom we usually show our support at this service.

This year the Posada figures of Mary, Joseph and the donkey will be heading out of St Michael's and visiting businesses and organisations across our town showing our concern for the people who work in these organisations. We will invite these businesses to share with us their prayer requests and we will leave them with a prayer for our town and its people to display in their shop or business. We will share this journey of Mary and Joseph via Facebook and our newsletter and encourage those organisations to share it with their customers and employees via their own communication channels. We also hope to film and record some of these people speaking about their hopes, fears and prayers for our town, that we can then pray about as a church community.

Our focus will be particularly on organisations in our town most affected by the pandemic like the care homes, the hospital, the hospice, funeral directors, foodbanks, Cre8 Grocery, Hope Centre, schools, Samaritans, JDI, Citizen's Advice Bureau and small independent shops, cafes, bars etc.

A list has been drawn up and each will be visited at some point from 29th November through to Christmas Eve.

Mary and Joseph will finish their journey back at St Michael's at 10am for our Christmas Day service.

This means that the Posada figures won't be travelling round our homes this year but we would encourage you to create a Crib scene or an image of Mary, Joseph and the donkey and display it in your window, perhaps with a lighted candle to help share the light and love of Jesus through our town and with your neighbours. *(Please don't leave a lit candle unattended.)* Maybe you have a WhatsApp group with your neighbours set up since the pandemic began where you could spread messages of hope, light and love throughout Advent or encourage people to follow

us on Facebook where we will be sharing daily expressions of Jesus' love, hope and light. Attached to the newsletter are some scenes you could use, including a colouring sheet for children, or find your own.

and light in the midst of  
darkness*

This Sunday, 29<sup>th</sup> November, is Advent Sunday – the birthday of the Church!

During services in Advent we light the candles in our Advent Wreath to remember the preparations God made for the birth of Jesus. During our service on Sunday morning at 10am we will light the first candle to remind us of the prophets who prepared the way for the Messiah.

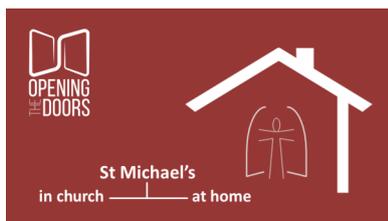

If you would like to join in at home, please be ready with your own candle and a lighter or matches, and we can light our candles together.

# Your New Warden Team

Rachel Paul  
Churchwardens

Tricia Martin Tony  
Deputy Churchwardens

Here is our new team of Churchwardens and Deputy Churchwardens. As you know Rachel was elected to office at the recent annual meeting and Paul very kindly agreed to stand for office again to support Rachel. Both Rachel and Paul are ably assisted by an experienced team of deputies. Both Tony and Tricia are former Churchwardens and Martin has been a deputy for nearly two years now. We welcome Matt Lewis to the team.

Please do remember our churchwardens in your prayers.

Their first responsibility is to the Bishop, usually via the Archdeacon. They, with the parish priest, are generally responsible for the day-to-day functioning of the parish.

Churchwardens are vital to the health and wellbeing of our church community. It is an important and, at times, a demanding role.

## Churchwardens:

- care for and support the parish priest, and be people to whom the incumbent can turn to for advice and support
- try to ensure that the incumbent is relieved of superfluous administrative, and other, tasks
- provide feedback, as a 'critical friend', for the parish priest
- care for the congregation and encourage people in their Christian faith
- help to resolve disputes or disagreements amongst the congregation or with the parish priest, or with the local community
- When any concerns arise, they should consult the Archdeacon.

**As they begin their new ministry as churchwardens and deputies we pray for them and all who share in the ministry of the parish that they may be faithful in their service to the parish and a true shepherd, and that all may work together for the building up of God's kingdom in this place. Amen**

## Reflection on Lockdown

by Barbara Taylor

During lockdown I often walk into town, and spend a few minutes in the Savage Chapel. I'll get a takeaway coffee before setting off home again, and sit on a bench in the churchyard to drink it.

This time of enforced slowdown is proving valuable. I've taken the time to look at our beautiful church, and reflect on how lucky we are to have such a special place to worship.

Of course, the church is more than the building. We have our church community, those who care for and support each other in good times and bad.

We open our doors every morning, Monday to Saturday, for the town. Those who visit often tell us they are glad of the chance to spend a few minutes in reflection or prayer. Perhaps in these strange and challenging times, there is even more need for the "constant" or "normal" our church can offer.

Outside in the churchyard, I imagine the crowds of the Treacle Market and carol services, and other times when the Market Place is full of life. I think of how St Michael's keeps watch over the town, as it has for hundreds of years. After all, it continues to be the church in the Market Place.

## Messy Sheep Trail

Linda Butler is once again hosting her Messy Sheep trail sharing the message of Jesus and spreading his love around our town. Children have the opportunity to spot sheep around the town and once they find them all they can get a small knitted sheep. The trail starts on 3rd December. Our sheep will hopefully be sited in the office window.

### Macclesfield's Messy Nativity Window Sheep Trail starts here... December the 3<sup>rd</sup> to the 31<sup>st</sup> of December

One of Macclesfield's shepherds wants to go and see baby Jesus, but he can't find all his sheep! He knows that they went to these venues. Will you help him find the lost sheep?

# Countdown to Christmas

Advent is 'the final countdown' to Christmas day and many children will have an Advent calendar to help them count the days. It's also a really special time for the church. Here's more about why it's so special, and some Advent activities for children. The words Advent simply means 'coming' – it's the season when Christians remember that God came to earth to be born as the Christ child, Jesus. God also promised that Jesus will come again at the end of time to heal all the world's hurts and divisions. Advent remembers this amazing promise, so it's a time of hope, of getting ready, and expectation.

Waiting is hard, but Christmas is worth waiting for – it's a special time, and at its heart is a gift of love from God to the world. Talk about which things about Christmas are hard to wait for and which are worth saving until the day.

## Here's what you might see in church during Advent:-

- Fewer decorations – but there might be greenery instead of flowers. This allows us to recognise that the Christian life isn't all about celebration. It's about hope and faith during times of sadness and challenge, too. There have been many times in history when God's people have longed for God to come and save them, and there are times in our own life when we pray that God would come and help us, too. Those times can feel like a long, dark night. We long for the greenery to turn to flowers, just as we long for our sadness and our hope to turn to joy.

- An Advent wreath with candles on it. One candle is lit each week (usually at the start of the service) – often with a special song or prayer.

- Many churches try really hard not to start Christmas too soon, maybe waiting till Christmas Eve to sing the carols. Saving the Christmas carols till Christmas itself means they feel even more special when you do sing them! Advent is a really important time to pray for peace and love to fill the world, so you may hear more of these kinds of prayers in church.

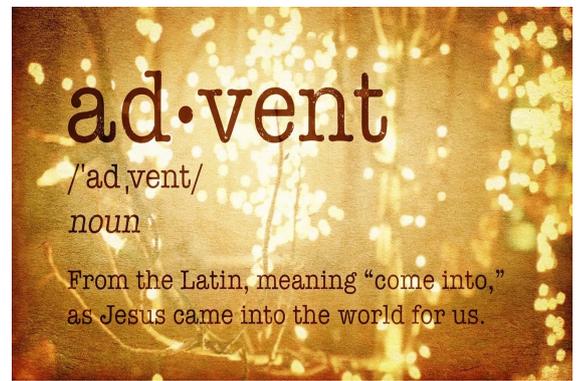

## Advent at home

If your family enjoys chocolate, you might like a [Real Advent Calendar](#) These calendars have a piece of Belgian Fairtrade chocolate behind every window, plus an illustrated Christmas story booklet that you can read together as a family. A percentage of each purchase is also donated to a good cause. There are other Advent calendars which present the Christmas story, like one offered on the [Traidcraft website](#): by Divine chocolates. If you're holding off on the chocolate, an Advent candle is a lovely way to count down the days – it's marked with the numbers 1 to 25 so you can burn a little each day and still have enough left to light up your Christmas day. You can find them in Christian bookshops and some department stores. There is one available on the Eden [website](#) and on the Traidcraft website,

If you believe that simple acts of kindness and creativity can make the world a better place, why not get hold of a *Love Life Live Advent* [booklet](#) It's packed with thoughtful and practical actions that you can do together as a family to help you prepare to celebrate the birth of Jesus at Christmas and to make your corner of the world a better place.

Also see page 5 for a different kind of 'acts of kindness' Advent Calendar for the local Foodbank. And don't forget the recommendations for Advent reading (page 7).

## Advent Reflections

There will be weekly reflections published by the Church of England on social media and available by email and app for each Sunday of Advent exploring the theme of Comfort & Joy. Sign up for them [here](#).

The reflections for each day from Christmas Day to 2 January feature contributions from Kate Bottley, Jonathan Bryan, Bob Chilcott, Martha Collison, Stephen Cottrell, Guli Francis-Dehqani, Chine McDonald, Sally Phillips and Justin Welby. They will also be made available freely via audio, smart speaker, as well as via app and email formats with accompanying prayer activities for children and families.

**Advent in church:** there will be further opportunities to reflect on Advent and Christmas during the "Church Open" hours of 11am – 1pm each day (except Sunday). We will be sharing a poem, some music, a picture, a prayer and a brief reflection for each of the four weeks of Advent; based on the themes suggested in the Roots materials:

- Waiting in the Dark
- What Happens in the Wilderness
- The mystery of the Messiah
- God's Ridiculous Plan

# Prayer Walks... now Prayer RUNS..

#praymore

When I'm out for my daily exercise, either walking, or what I laughingly call running, I often pass by houses of people I know or places where things have happened in the days when we could meet in person. At these

times I am prompted to remember my friends and say a short prayer.

Back at the beginning of lockdown when I realised I was becoming quite flabby and my body didn't seem to want to move easily, I decided that if I started some sort of proper exercise routine I would, at the very least, be not as overweight as I would be if I didn't have an exercise routine. Does that make sense? Anyway, I started the NHS Couch to 5K exercise programme using the App on my phone, whilst also listening to music. It was hard work,

particularly in the beginning and I had to repeat some weeks before I felt able to move on. But finally, and wondrously I managed to get to the end of the programme and I graduated as a runner!!! Great, wonderful but then I slipped back and got out of the routine. Story of my life!

Anyway, I am picking it up again, starting at Week 6. It is so hard at this time to keep positive and have a thankful spirit but I find this exercise helps my body, mind and spirit. I listen to music when I'm running – it helps me keep a pace. You can listen to one of Tricia's running tracks [here](#)

And the blessing I use when I pass your house?

The LORD bless you and keep you;  
the LORD make his face shine on you and be gracious to you;  
the LORD turn his face toward you and give you peace.

Lots of love  
Tricia

## PRAY FOR OUR NATION 30 NOV TO 6 DEC

Loving God, your Son Jesus Christ came that we might have life and have it abundantly;  
pour out your blessing upon our nation;  
where there is illness, bring your healing touch;  
where there is fear, strengthen us  
with the knowledge of your presence;  
where there is uncertainty, build us up in faith;  
where there is dishonesty, lead us into truth;  
where there is discord  
may we know the harmony of your love;  
this we ask in Jesus' name.  
Amen.

## Advent Window Trail

Don't forget our Advent window reveal takes place on the afternoon of Saturday 5th December.

Take time to explore the trail and support Macclesfield town centre this Christmas. A map is available showing all locations and dates [here](#)

**Me:** Okay, God, here's the thing. I'm scared. I'm trying not to be, but I am.

**God:** I know. Want to talk about it?

**Me:** Do we need to? I mean, you already know.

**God:** Let's talk about it anyway... We've done this before.

**Me:** I know, I just feel like I should be bigger or stronger of something by now.

**God:** \*waiting patiently, unhurried, undistracted, never annoyed.

**Me:** Okay. So, I'm afraid I'll do everything I can to protect my family and it won't be enough. I'm afraid of someone I love dying. I'm afraid the world won't go back to what it was before. I'm afraid my life is always going to feel a little bit unsettled.

**God:** Anything else?

**Me:** EVERYTHING ELSE.

**God:** Remember how your child woke up one night and came rushing to your bedroom?

**Me:** Yes.

**God:** You were still awake, so when you heard them running, you started calling out to them before they even got to you... remember? Do you remember what you called out to them?

**Me:** I said, "You're okay! You're okay! You're okay! I'm here."

**God:** Why did you call to them? Why didn't you just wait for them to get to your room?

**Me:** Because I wanted them to know that I was awake, and I heard them, and they didn't have to be afraid until they got to me.

**God:** Exactly. I hear you, my child. I hear your thoughts racing like feet down a dark hallway. There's another side to all of this. I'm there already. I've seen the end of it. And I want you to know right here as you walk through it all, you're okay. I haven't gone to sleep, and I won't.

**Me:** \*crying. Can we sit together awhile? Can we just sit here a minute before I go back to facing it all?

**God:** There's nothing I'd love more.

### Praying for you

In October we all received an email letter about prayer; specifically asking if you wish to be prayed for on a regular basis and permission for using your name online. Thank you to all who responded.

Did you respond or did the email get missed or end up a long way down the "to do" list? It is not too late to reply. Please click [here](#) to read this again and how to let Sallie know your response.

Planning is difficult in these uncertain times, but we want to let you know that we very much hope to have a 'live' Christmas Eve Crib Service at the usual time of 4pm using the appropriate Covid control measures to keep us all safe. Last year we had more than 240 people at the service. We realise that many of those who would typically attend might not be able to this year (and there will be a digital offering for those). There will be a booking system for people to pre-register their attendance at the live service which will enable us to manage capacity and seat people in a way that maximises available seating. So watch this space for more information. In the meantime, note the date in your diary. Thanks to all those working behind the scenes to produce the materials for this service.

*Heike, Judith & Lynne*

In the meantime here is some (fun) guidance the Crib Service team will need to take account of this year in their risk assessment for this service to ensure it's fully Covid secure...!!

**Safety Guidance for your 2020 Christmas Crib**

1. A maximum of 4 shepherds are permitted in the Crib.
2. Shepherds must wear facemasks (unless exempt) and strictly observe social distancing (2m or 1m+ with mitigations).
3. Jesus, Mary and Joseph form a family bubble and thus may be placed together.
4. The ox and the ass need Declaration of Non-Contamination Certificates, obtainable from the Department of Agriculture.
5. The Three Wise Men, since they come from a non Schengen Area, will be subject to a 14-day quarantine, whether or not they have tested negative for Covid.
6. The straw, moss, palm branches and other decorations must be disinfected, with hands washed for 20 seconds after handling.
7. Angels flying over the Crib are now forbidden, owing to the aerosol effect produced by the batting of wings.
8. Shepherds are permitted provided they are not more than 70 years old or suffering from underlying medical conditions or in another vulnerable category.
9. The inn, along with other businesses in the hospitality sector, is closed until further notice.
10. For 2020 only, a Pontius Pilate should be added to the Crib to explain to authorised participants the protocols for washing and sanitisation of hands.

Christingle is a joyful celebration that brings families and communities together to share the light of Jesus and spread a message of hope.

The Children's Society welcomes you to its first ever National Christingle Service in partnership with the Church of England. This will be streamed on the Church of England's website, Facebook and YouTube channels
