

Family History

The church office receives many enquiries about family history.

Usually, it is not possible to help because no records of births or marriages were kept at St Michael's before 1950.

Records before this date are all archived at the Diocese Records Office in Chester.

Please contact, by phone, 01244 602574 or e-mail

recordoffice@cheshiresharedservices.gov.uk

for further information.
