

General Notes for Peak Pilgrimage walkers

Below are brief notes for walkers on the Peak Pilgrimage.

There are 14 places available on the minibus for the return trip to Macclesfield on any of the three days at a cost of £5 per person per day. If you would like to book one of those places then let me know. The minibus will also be available throughout the day to transport pilgrims who don't wish to walk the full distance. If travelling in your own car then please let me know where you plan to meet us. The minibus can ferry drivers back to their parked cars at the end of the day.

If you would like a copy of the guide book which includes full details of the walk, the villages and the churches as well as space for the pilgrims' stamps and verses then these are available from me at £6 each.

Let me know if you wish to join us for a meal together on Saturday 7th at Chris Wightman's place at 7.00 for 7.30. The cost will be £5 per person but please bring your own drink.

Several experienced walkers will have detailed maps and route notes including a back-marker who will happily accompany the slowest walkers.
